1. LAJEUNESSE, JOHN & CHRISTINE, 94 BERKELEY DRIVE, seeking a variance from Section 4.4.1.4, minimum side yard setback ten feet (10'), to allow nine feet eight inches (9'8") and from Section 4.4.1.8 maximum lot coverage when not in an aquifer protection zone 25%, to allow 38% lot coverage; to construct a thirty two foot by twenty one foot (32'x21') garage and install a new forty seven foot by twenty four foot (47'x24') driveway, in the R-27 zoning district.

Andy Marchese explained variance needed for both the side yard setback and percentage of lot coverage. If garage is built the current driveway will be removed and new driveway installed on opposite side of the property near the garage.

Christine and John Lajeunesse, 94 Berkeley Drive present to speak on their application. Mrs. Lajeunesse explained they have been residents of Vernon for 20 years, and they have 2 children soon to be licensed drivers. In addition to needing the parking for the extra vehicles, Mr. Lajeunesse was recently diagnosed with Rheumatoid arthritis which makes snow removal difficult. Also, with the proposed garage and driveway there will be no more parking on the lawn.

Mrs. Lajeunesse stated they heard from their neighbors; and all favor the variance. Submitted for the record are 3 letters, marked Exhibit A, B and C.

Carl Slusarczyk asked if driveway was over the setback. Andy Marchese explained that it is not, further, the driveway proposed is already ok with the Engineering Department.

No one else present to speak in favor or opposition. The hearing was closed and discussion held.

Jim Ferguson made a motion to grant the variance from Section 4.4.1.4, minimum side yard setback ten feet (10'), to allow nine feet eight inches (9'8") and from Section 4.4.1.8 maximum lot coverage when not in an aquifer protection zone 25%, to allow 38% lot coverage; to construct a thirty two foot by twenty one foot (32'x21') garage and install a new forty seven foot by twenty four foot (47'x24')

driveway, in the R-27 zoning district, due to lot configuration. Carl Slusarczyk seconded the motion, the motion carried by unanimous vote.
